| Project Title   | Social Media Intern for U.S. Agency for International Development                                            |
| Project Summary | Help create and manage social media content for USAID's flagship Twitter, Instagram, and Facebook Platforms. |
| Country         | United States                                                                                                |

## Project Description

With over 1.5 million followers, USAID's flagship social media accounts are a vital gateway with which to tell our story. The ideal intern will use their storytelling and graphic design skills to create social media content for U.S. and international audiences. The social media intern will help collect, create, and draft content for each of our three platforms. Interns with graphic design and videography experience will also have the opportunity to create pictograms and other visuals.

## Required Skills or Interests

### Skill(s)

Graphic design

Social media management

Storytelling/blogging/vlogging

Videography

Writing

## Additional Information

This internship is open to only one individual. You will work under the supervision of USAID's social media manager, however you will be able to network and work with a whole range of communicators and creators at USAID, including graphic design artists, writers/editors, and videographers. Estimated time commitment is negotiable, but around 3-5 hours/week.

## **Language Requirements**

*None*
